Umbrella Quick Patch Roof Repair Invention In Search of Licensee

An innovative new product designed to provide consumers with an effective method of completing a common, and often expensive, home repair task, the ***Umbrella Quick Patch Roof Repair***, has been developed by Ralph Smith of Butler, Pennsylvania. The invention’s unique design allows for users to quickly and effectively patch small roof holes from the comfort of the interior of the house.

The ***Umbrella Quick Patch Roof Repair*** will be made available in a convenient dispensing tube. Furthermore, the ***Umbrella Quick Patch Roof Repair*** will also save its users significant amounts of money in repairs. Additionally, the product will be easy to implement and use. The ***Umbrella Quick Patch Roof Repair*** will also be competitively priced, adding to its appeal.

The ***Umbrella Quick Patch Roof Repair*** is also in Patent Pending status within the United States Patent and Trademark Office.

Mr. Smith now seeks a third party licensee to manufacture, market, and distribute the product for him under a royalty agreement. Potential licensees in the home repair accessories industry are currently being targeted as candidates to eventually commercialize ***Umbrella Quick Patch Roof Repair*** on a worldwide basis.

In June 2013, Mr. Smith contracted product management services leader Innovation Direct™ to represent ***Umbrella Quick Patch Roof Repair*** to potential licensees for a 2 year period. Innovation Direct™ obtains the maximum amount of exposure for the products that it represents through its unique and patented licensing methodology and its participation in multiple and diverse industry-leading trade shows each year. Exhibits that Innovation Direct™ has attended in recent years include the SHOT Show, the International Home and Housewares Show, the National Hardware Show, Licensing International, the SEMA and AAPEX Shows and the ERA D2C Convention.
