### *Fall Rebounder Invention In Search of Licensee*

An innovative and effective new product designed to serve as an essential safety device in a variety of situations, the ***Fall Rebounder***, has been developed by Vernon Daniels of White Lake, Michigan. The invention's unique design provides its users with thorough protection from a fall.

The ***Fall Rebounder*** will be fabricated from lightweight yet durable material. The product will be easy to use and will not require a lot of additional equipment to operate successfully. Additionally, the ***Fall Rebounder*** will be particularly useful to those engaging in various outdoor activities. Furthermore, it can prove instrumental in preventing potentially fatal injuries.

Mr. Daniels now seeks a third party licensee to manufacture, market, and distribute the product for him under a royalty agreement. Potential licensees in the safety accessories industry are currently being targeted as candidates to eventually commercialize the ***Fall Rebounder*** on a worldwide basis.

In September 2013, Mr. Daniels contracted Miami, Florida-based product management services leader Innovation Direct™ to represent the ***Fall Rebounder*** to potential licensees for a 2 year period. Innovation Direct™ obtains the maximum amount of exposure for the products that it represents through its unique and patented licensing methodology and its participation in multiple and diverse industry-leading trade shows each year. Exhibits that Innovation Direct™ has attended in recent years include the SHOT Show, the International Home and Housewares Show, the World of Concrete Show, the National Hardware Show, Licensing International, the SEMA and AAPEX Shows and the ERA D2C Convention.

Potential licensees interested in obtaining more information about the ***Fall Rebounder*** and discussing licensing opportunities with respect to the product can contact the Manufacturer Response Department of Innovation Direct™ at (877) 991-0909 ext. 4285 or at [MR@innovationdirectonline.com](mailto:MR@innovationdirectonline.com).
