Chiasson E-Z Release Stethoscope Invention In Search of Licensee

An innovative new product designed to serve as an improved version of an essential piece of medical equipment, the ***Chiasson E-Z Release Stethoscope***, has been developed by Chris Chiasson of Ponchatoula, Louisiana. The invention's unique design enables medical personnel to remove it easily and single-handedly. The product can also be used by anyone, including practitioners with physical disabilities.

The ***Chiasson E-Z Release Stethoscope*** allows medical practitioner to have a second hand free for holding a syringe or another important medical purpose. The product will save time and hassle for those performing important medical procedures. Additionally, the ***Chiasson E-Z Release Stethoscope*** will be made from lightweight yet durable material and competitively priced, adding to its appeal.

The ***Chiasson E-Z Release Stethoscope*** is also in Patent Pending status within the United States Patent and Trademark Office.

The inventor of the ***Chiasson E-Z Release Stethoscope*** now seeks a third party licensee to manufacture, market, and distribute the product for him under a royalty agreement. Potential licensees in the medical accessories industry are currently being targeted as candidates to eventually commercialize the ***Chiasson E-Z Release Stethoscope*** on a worldwide basis.

In October 2013, Mr. Chiasson contracted Miami, Florida-based product management services leader Innovation Direct™ to represent the ***Chiasson E-Z Release Stethoscope*** to potential licensees for a 2 year period. Innovation Direct™ obtains the maximum amount of exposure for the products that it represents through its unique and patented licensing methodology and its participation in multiple and diverse industry-leading trade shows each year. Exhibits that Innovation Direct™ has attended in recent years include the SHOT Show, the International Home and Housewares Show, the World of Concrete Show, the National Hardware Show, Licensing International, the SEMA and AAPEX Shows and the ERA D2C Convention.
