

“Our Success is Patented™”

Responsible Lockables Invention In Search of Licensee

An innovative new product that offers thorough security for a number of different items, the ***Responsible Lockables***, has been developed by Lisa M. Fletcher of Gorham, Maine. The invention's unique design provides its users with a method of keeping valuables both safe and fresh.

The ***Responsible Lockables*** helps insure certain items do not fall into unintended hands. The product's proprietary features insure that it can be secured firmly to any countertop. Additionally, the ***Responsible Lockables*** offers a variety of different options for access. Furthermore, the ***Responsible Lockables*** provides priceless peace of mind. Furthermore, it is fabricated from durable materials and competitively priced, adding to its appeal and making it a wise investment.

The ***Responsible Lockables*** is also in Patent Pending status within the United States Patent and Trademark Office.

Mrs. Fletcher now seeks a third party licensee to manufacture, market, and distribute the product for her under a royalty agreement. Potential licensees in the security products industry are currently being targeted as candidates to eventually commercialize the ***Responsible Lockables*** on a worldwide basis.

In February 2014, Mrs. Fletcher contracted Miami, Florida-based product management services leader Innovation Direct™ to represent the ***Responsible Lockables*** to potential licensees for a 2 year period. Innovation Direct™ obtains the maximum amount of exposure for the products that it represents through its unique and patented licensing methodology and its participation in multiple and diverse industry-leading trade shows each year. Exhibits that Innovation Direct™ has attended in recent years include the SHOT Show, the International Home and Housewares Show, the World of Concrete Show, the National Hardware Show, Licensing International, the SEMA and AAPEX Shows and the ERA D2C Convention.

Potential licensees interested in obtaining more information about the ***Responsible Lockables*** and discussing licensing opportunities with respect to the product can contact the Manufacturer Response Department of Innovation Direct™ at (877) 991-0909 ext. 4285 or at MR@innovationdirectonline.com.
