Bio Geo Genetics Invention In Search of Licensee

An innovative line of groundbreaking, all-natural healing remedies, the **Bio Geo Genetics**, has been developed by Cornelius Warren of Chesapeake, Virginia. The invention's unique formulas offer almost instant relief from a variety of physical ailments.

The **Bio Geo Genetics** are made available in specific formulas that effectively address bone and joint pain, muscle aches, respiratory difficulties, and optical issues. The product can be either ingested directly or mixed in with food or beverages. Additionally, the **Bio Geo Genetics** boast an extensive track record of success among past users. Furthermore, they promote considerably improved health and relief from maladies in a thoroughly safe and natural manner. Moreover, the **Bio Geo Genetics** are competitively priced, adding to their appeal.

There is also existing inventory and a successful sales history available for all different iterations of the **Bio Geo Genetics**.

Mr. Warren now seeks a third party licensee to manufacture, market, and distribute the product for him under a royalty agreement. Potential licensees in the nutritional supplement and natural remedy products industry are currently being targeted as candidates to eventually commercialize the **Bio Geo Genetics** on a worldwide basis.

In September 2014, Mr. Warren contracted Miami, Florida-based product management services leader Innovation Direct™ to represent the **Bio Geo Genetics** to potential licensees for a 2 year period. *Innovation Direct*™ obtains the maximum amount of exposure for the products that it represents through its unique and patented licensing methodology and its participation in multiple and diverse industry-leading trade shows each year. Exhibits that *Innovation Direct*™ has attended in recent years include the SHOT Show, the International Home and Housewares Show, the World of Concrete Show, the National Hardware Show, Licensing International, the SEMA and AAPEX Shows and the ERA D2C Convention.

Potential licensees interested in obtaining more information about the **Bio Geo Genetics** and discussing licensing opportunities with respect to the product can contact the Manufacturer Response Department of *Innovation Direct*™ at (877) 991-0909 ext. 4285 or at MR@innovationdirectonline.com.
