

WHERE DO YOU STORE YOUR NAVEL NOVELTIES?

Take them out of the Box

Innovative and highly useful new body jewelry accessory. This unique patented design enables users to store personal navel rings or body jewelry safely and in an organized fashion. The holder eliminates the hassle of dealing with tangled, broken or missing body jewelry. Keeping your body jewelry displayed lengthens the life and viability of the precious pieces. Made from durable lightweight materials and can be manufactured in various colors and sizes and material. Sure to be a big trend.

The prototypes were developed by Navel Novelties and utilized with success.
